

Case Studies

AZAVAR

Location:
Chicago, Illinois

Scope:
Design a space that provides a variety of work types including highly focused heads down area, soft seating/collaborative area, meeting areas, independent work areas and private offices.

Space:
70,071 sq. ft.

THE SOLUTION

Vertical Interior Design collaborated with this technology based company to develop an open and transparent workspace with a modern European aesthetic. Through the use of clean, simple lines, bold accents and high end furnishings, the space created an energetic vibe for it's savvy millennial staff.
