CONSUMERS CREDIT UNION

Location:
Gurnee, Illinois

Scope:
Provide designs and solutions for flooring, wall finishes, art, interior signage, lighting and furnishings throughout their new facility.

Space:
32,000 sq. ft.

“Rieke Office Interiors worked hand in hand with our team to ensure every detail was attended to and no stone was left unturned. They attended to each departments needs and created a unique space that truly reflects Consumers Credit Union's corporate image and vision. Through this experience, we have created a long term relationship with ROI and we look forward to working with them on future projects.”

Sean Rathjen
Consumers Credit Union President/
CEO

THE SOLUTION

Consumers Credit Union partnered with Vertical Interior Design to create a design that reflected an influential financial institution. Unique design elements and features can be found throughout the space including fabric wrapped accents, lighting in the reception area and a one-of-a-kind history wall - three dimensional art piece. Having an arsenal of refined finishes helped formalize Consumer Credit Union's high end aesthetic they were seeking. These finishes included: paint, wallcoverings, carpet and tile.
